

CONTRACT FOR UPPER LEVEL CADETS

This contract confirms that by accepting the mantle of leadership, I will adhere to a certain, more disciplined set of values and ways of conduct. By signing this contract, I affirm that I will:

- Participate in at least one JROTC event per semester
- Not use my phone during class or gym time without explicit permission
- Treat lower level cadets in an appropriate and responsible manner
- Wear the uniform correctly and always have it during inspections unless you've spoken with your instructor or a major problem occurs (leaving it at the dry cleaner is not a major problem)
- Participate in class instruction
- Follow the classroom procedure when entering LTC's classroom

Failure to follow through with these guidelines may result in demotion, corrective action, or complete removal from the program.
